Brighter Futures Learning Partnership Trust

ANNUAL LEAVE AND LEAVE OF ABSENCE POLICY

1. SCOPE

The purpose of this policy is to set out the Brighter Futures Learning Partnership Trust Policy on leave entitlement and absence of leave. The aim is to outline the various leave entitlements available to staff and the notification procedure.

This policy covers both support staff and teaching staff.

The Trust is committed to promoting equality in all areas of employment and ensuring that no member of staff is discriminated against.

1.0 CONTINUOUS SERVICE

Annual leave entitlements (for support staff) are calculated on continuous service (service that is unbroken). This includes continuous previous service with any public authority to which the [Redundancy Payments \(Continuity of Employment in Local Government, etc\) \(Modifications\) Order 1999](#) applies.

Where an employee returns to local government service following a break for maternity reasons, the employee will be entitled to have previous service taken into account in respect of the sickness and maternity schemes only, provided that the break in service does not exceed eight years and that no permanent paid full time employment has intervened.

2.0 ANNUAL LEAVE ENTITLEMENTS

The annual leave year for all staff runs from 1st April to 31st March.

In accordance with the School Teachers Pay and Conditions Document, annual leave for teachers coincides with periods of School closure and public holidays.

3.0 ANNUAL LEAVE SUPPORT STAFF

Employees are expected to plan and take their annual leave entitlement during the leave year which runs from 1st April to 31st March.

Support staff who are employed on a 52-week contract will be required to provide notice of any annual leave. 3/4 days annual leave must be saved for the period over Christmas, dependent on how the Christmas bank holidays fall.

All employees must apply for annual leave in advance, so that adequate services provision can be maintained. Employees on 52-week contracts will only be allowed to take a maximum of 5 days annual leave during term time, unless agreed by the Headteacher/Principal based upon the needs of the school. This may be 5 consecutive days or 5 individual days

4.0 SICKNESS DURING A PERIOD OF ANNUAL LEAVE (FULL-TIME SUPPORT STAFF)

Medical certification is required for full sick pay (where eligible) to become payable for those periods where the illness is during annual leave. Any sickness absence incurred during annual leave will be recorded in the usual manner and would still count towards any 'trigger points' that the Trust currently has in place relating to sickness absence levels. (Please refer to the Health and Wellbeing Policy for further guidance).

Annual leave entitlement for support staff:

As part of the NJC pay agreement for 2022, it was agreed that all employees covered by this National Agreement, regardless of their current leave entitlement or length of service, would receive a permanent increase of one day (pro rata for part-timers) to their annual leave entitlement from 1 April 2023. (This additional day has now been applied to the table below).

SCALE POINT	NO OF DAYS	NO OF DAYS AFTER 5 YEARS	NO OF DAYS AFTER 10 YEARS
SCP11 and below	27	30	32
SCP12-20	29	32	34
SCP22-33	31	34	36
SCP34 and above	31	34	36

5.0 BANK HOLIDAYS AND EXTRA STATUTORY DAYS

There are 8 bank holidays in a year, these are fixed dates with the exception of Easter which floats.

6.0 CALCULATION OF ANNUAL LEAVE

Annual leave is calculated as follows:

- If a member of staff starts on the 1st April they will receive a full year's entitlement
- If a member of staff starts anytime throughout the year they will receive a pro-rata amount which is calculated on the number of full months until the end of the annual leave year (e.g. an employee who starts in September would be entitled to seven months' worth of leave). This is rounded up to the nearest half day.

$$\text{Full years entitlement} \times \frac{\text{Full month left in the year}}{12} = \text{Pro rata entitlement}$$

Example

$$26 \text{ days} \times \frac{7}{12} = 15.16 \text{ (rounded up to 16)}$$

The same calculation applies to part time staff. However, annual leave is proportional to the hours worked.

Calculation for part time staff:

For part time staff, their annual leave entitled will be expressed in hours, calculated as follows:

Basic entitlement	X	$\frac{\text{Standard weeklyhours}}{5 \text{ days}}$	X	$\frac{\text{Employees weeklyhours}}{\text{Standard weeklyhours}}$	=	Pro-rata entitlement (hours)
26 days	X	$\frac{37 \text{ hours}}{5 \text{ days}}$	X	$\frac{14 \text{ hours}}{37 \text{ hours}}$	=	73.1 hours

7.0 TERM-TIME ONLY STAFF

Employees who are employed to work 'term time only' receive a payment in their monthly salary which is equivalent to their annual leave entitlement and therefore are not permitted to take annual leave during term time. However, they may, in certain circumstances, be granted leave of absence (refer to leave of absence).

8.0 CARRY OVER OF ANNUAL LEAVE

Employees are not normally permitted to carry over annual leave. However, in the event of exceptional circumstances, the CEO, Headteacher/Principal may permit for a maximum of 5 days' to be carried over into the following annual leave year. Prior agreement/authorisation must be given **before** any annual leave is taken.

9.0 TIME OFF IN LIEU (TOIL)

Time off in lieu must be recorded separately. It is important for managers to manage the working arrangements of staff and ensure that the service is adequately maintained when staff members take time off. Staff must get permission from the Headteacher/Principal, or if part of Central Trust from the CEO in advance to take time off in lieu. If time off in lieu is taken as a result of overtime worked this must be recorded and it is taken at plain time rate, i.e. number of extra hours worked.

10. FLEXIBLE HOURS

Support staff who are employed on 52-week contracts may be required to work longer hours during term time to meet the needs of the school. Any additional hours worked may be (with the agreement of the Headteacher/Principal) offset against time worked during the school holidays.

There may be occasions where the school requires a presence during the school holidays of support staff who are contracted to work 52 weeks. These periods will be communicated and timetabled with employees.

Employees who accrue additional hours to take during the school holidays will be required to keep a record of their hours in line with the Brighter Futures Learning Partnership Trust requirements which will be retained centrally by all schools/UTC in the Trust. Employees will also be required to advise the Headteacher/Principal of the dates during the school holiday periods that they will not be present on school premises and this information will be shared and recorded with the HR/Business Manager within the school. The Headteacher/Principal will liaise with full time employees regarding any periods during school holidays where a presence is required.

11. LEAVE OF ABSENCE

In incorporating leave of absence provisions, the Brighter Futures Learning Partnership Trust recognises that there are occasions when staff will find it necessary to be absent from work due to matters which are, in the main, outside their control. It must however, be understood by all concerned that absences from work have an adverse affect on the delivery of the service in which we are employed and therefore staff are required to apply for leave of absence with restraint.

Where leave of absence is necessary then only minimum periods of leave should be requested.

This is particularly relevant to those provisions that provide for up to a given maximum – the stated maximum must not be seen as the norm. It is incumbent on Headteachers/Principal when approving leave of absence to take account the effect on the service and whether the member of staff could reasonably have made other arrangements which would not interfere with their duties. This is particularly relevant in the case of part time staff.

- * All absence leave is at the discretion of the Headteacher/Principal
- * There may also be consideration of whether the leave time can be made up in extra hours where this is possible.

Applications for leave of absence from employees should always be submitted to the Headteacher/Principal on the approved leave of absence application form. Headteachers requiring leave of absence for themselves must apply to the CEO. The maximum possible notice of proposed absence should always be given.

In cases of extreme necessity, where an employee is compelled to be absent themselves without having obtained in writing prior consent, the employee must notify the

Headteacher/Principal of the school at once and complete a leave of absence application from as soon as possible after return to duty.

Where indicated in the policy, salary will automatically be granted. Any additional leave requested will either be without salary or, at the discretion of the Headteacher, with salary where indicated. It will be for the Headteacher/Principal to decide whether salary is granted. In the case of the Headteacher/Principal the CEO will make this decision.

All applications for leave of absence for reasons not covered by the provisions of the regulations **must** be submitted to the Headteacher/CEO for consideration. These applications outside the provisions of the policy can only be made to the Headteacher/Chair/CEO in exceptional circumstances, at which time each case will be considered on an individual basis on its own merits.

Approved absence will be with or without salary as indicated below, but in any case salary shall be reduced by an amount equal to any allowance in respect of loss of earnings which the teacher claims and receives from any other source.

12. APPLICATION TO TAKE LEAVE

All leave requests should be made in accordance with arrangements in the school. Requests must firstly be agreed by the employee's line manager, then approved by the Headteacher/Principal and will be subject to the needs of the school.

13. CONDUCT

If an employee is found to have deliberately misused this policy, the matter will be dealt with under the Disciplinary Policy and Procedure.

14. MONITORING COMPLIANCE WITH AND EFFECTIVENESS OF THE POLICY

Effectiveness and compliance of this procedure will be monitored on an annual basis by Central HR.
